LANGARA COLLEGE ASSOCIATION OF RETIREES

The Langara College Association of Retirees (LCAR) is a network of former faculty, support staff, and administrators who have retired from Langara College.

LCAR helps Langara retirees stay in touch with each other, and with the College and its students. LCAR organizes social gatherings and events, as well as workshops on topics of interest to both retirees and “pretirees”. LCAR offers many benefits including free workshops and discounts on Langara CS courses.

Joining LCAR is free and there are no membership dues.
